Keynote

Animals and More!

We'll have a fun program on Tuesday as we learn about our very own Junior Livestock Auction and the 111th State Fair of Louisiana coming October 26th.

David Ogletree is the chairman of the Ark-La-Tex Agricultural Council having served as one of their volunteers for over 20 years. He is senior vice president of lending with Louisiana Land Bank where he was been employed for 30 years.

Serving again as chairman of the Louisiana State Fair board, **John Michael Moore** is following in the footsteps of his father who was a prior chairman of the board. John Michael is executive vice president at Haynesville Mercantile Company.

Our own Rotarian **Jon Lowe** will participate in the program on Tuesday. Jon is a retired 4-H agent and 4-H Parish chair who has served on the Ark-La-Tex Ag Council, Caddo Parish Farm Bureau and the State Fair's board of directors.

Rotarian **Andy Shehee** is on the board of directors of the Ark-La-Tex Ag Council and the executive committee of the State Fair. Andy is our area's ameraucana (not americana) chicken expert.

Rotarian **Anna Maria Keele** made her surprise debut (even to her) in 2015 as our auctioneer. She returned in 2016 by popular demand and will be here again this year to continue honing her auctioneering

New Paul Harris Fellows!

Before he introduced the program last week, Rotarian **James Adams** honored his wife and his son by naming them new Paul Harris Fellows.

Son **Todd Adams** is a Little Rock resident who was instrumental in arranging for our great FBI program last Tuesday. Todd is a Supervising Special Agent in the FBI's Little Rock office specializing in white collar crime, serves as the FBI's pilot in command and is FBI liaison with the CIA. As part of his FBI responsibilities, he served a tour in Afghanistan. He is a Northwood and Louisiana Tech graduate.

James' wife **Marty Adams** thought that she was there to be able to witness son Todd being named as a new PHF. However, she was surprised when James asked her to

join him at the podium where he also named her as a Paul Harris Fellow. James and Marty have been married for 51 years. They first met when James, as a new college graduate, was working as an accountant for Texas Eastern Transmission. After their first date, James told a friend that he had met the woman he was going to marry. Marty is a Pink Lady volunteering weekly at Christus Highland Hospital and serves as the Guild president. She has volunteered at all of our Dragon Boat festivals and many of our other events.

James' parting advice before his speaker introduction was "**Ro-romanice without fi-nance is igno-rance**". This brought a chuckle of understanding from all the Rotarians.

Change In Rotary Parking

In the next few weeks, the Shreveport Convention Center will be making a change in their parking garage policy. Rotary Club of Shreveport has been "grandfathered" into their new parking agreement with a parking management service and we will NOT be charged for parking.

However, the toll arm will be down when there are other activities going on at Shreveport Convention Center on Tuesdays. You will need to take the ticket in order to release the toll arm. When you arrive at the Rotary registration table, you will exchange your parking ticket for a same day token pass that the Convention Center staff will provide to us. Guests and presenters will also be able to exchange tickets for passes.

Please let Judy Bellew know if you have questions or have any problems/issues with this new procedure.

Rotary Club of Shreveport offers monthly service opportunities with ALL of our non-profit members. It is our hope that this will re-emphasize the SERVICE ABOVE SELF motto and that these organizations will obtain new volunteers!

Junior Achievement Opportunities

- In October—immediate need for volunteers to teach global marketplace and economics for success to Fair Park students. Contact [Carly Koen](#).
- November 16th from 10:45am-1:45pm, need volunteers for JA Inspires Student Mentor Lunch (sponsored in part by our Rotary club) to visit with students over lunch to discuss their goals and interact with them. [Sign up at this web site](#).
