Keynote

University Health System

Daniel J. Snyder, an internationally recognized healthcare executive with more than 30 years of experience in private and military medicine, was named CEO of University Health System in February 2017. He oversees the operations for both the Shreveport and Monroe hospitals and their ancillary services.

Snyder is the former CEO of University of Miami Hospital. Under his leadership the hospital achieved infection rates well below national standards and he deployed the Premier Quality Advisor system to provide a physical scorecard to every member of the medical staff.

In addition to his academic medical center experience, he is a dual master's-level, board-certified Fellow in the American College of Healthcare Executives, and has served as CEO of Asia Pacific Health Partners.

Daniel J. Snyder

He previously served as CEO of Sir H.N. Reliance Foundation Hospital and Research Center in Mumbai, India; of Parkway Health in Singapore; and as President of the Western Region for Banner Health, one of the largest multi-state healthcare systems in the U.S.

Before these assignments, Snyder served as Director of Medical Strategy, Planning, Programming and Budgeting for the Office of Chief of Naval Operations at The Pentagon. He was selected to attend the National Defense University in Washington, D.C., where he earned his MS in National Research Strategy. After graduation, he served as CEO of the U.S. Navy's Fleet Hospital Five and COO for Naval Hospitals in Seattle and Bremerton, Washington.

Wishy Nolan with President Jeb

William E. "Wishy" Nolan received a new Paul Harris Fellowship award for his newest grand-daughter, Elisa Nolan. With this award, Wishy has now honored every member of his extended family with a PHF. In addition, he has also honored many non-family members fellow Rotarians with the award.

A 1954 graduate of Centenary College, he is the driving force behind the Centenary Alumni Association and has endowed six scholarships to Centenary.

Wishy has led Methodist churches around the state. Everywhere he's lived, he has joined a Rotary club. He's been a member of our club at four different times, a member of the clubs at Baton Rouge, Bossier City, Winnsboro and served the Bastrop club as their president.

A man who "talks the talk and walks the walk", Wishy has served as our club's Rotary Foundation chair for several years. He is a Major Donor Level 2 and a member of the Paul Harris Society.

Rob Eppers was surprised on Tuesday with a Paul Harris Fellowship from an anonymous fellow Rotarian. A new member of our club in 2016, Rob immediately stepped up and volunteered to take photos and help with our Facebook page. You see him now at meetings, moving quietly about the room with his camera taking those great photos.

A native of Plano, Texas, Rob received his B.A. in marketing from Texas Tech University. He moved to Shreveport in 2010 to be senior marketing manager for Risk Services of Louisiana. He now serves as the chief operating officer (COO) for them.

He holds the Certified Insurance Counselor (CIC) designation, Surplus Lines Insurance license as well as property-casualty and life-health.

Rob served as a senior coordinator for the Greater Shreveport Leadership Program. He and wife Stacy have 3 children.

Rotary Club of Shreveport will now begin offering monthly service opportunities with ALL of our nonprofit members. It is our hope that this will re-emphasize the SERVICE ABOVE SELF motto and that these organizations will obtain new volunteers!

LVCC is in need of volunteer tutors. If you can give 2 hours a week to help someone improve their literacy skills, it would be beneficial to the individual and his family. If you would like to donate your time to volunteer, please call Sue Lee at (318) 869-2411, and we will get you started. It is very worthwhile to see someone grow in literacy.

Words With Friends® and Scrabble® players wanted! **Literacy Volunteers at Centenary College** 10th Annual Scrabble Tournament will be held on Saturday, **April 8, 2017** at the Kilpatrick Auditorium at Centenary from 12:00 to 5:00 P.M. Contact Rotarian [Sue Lee](#).

PROVIDENCE HOUSE

Date: Saturday, April 29th (Independence Stadium)

Time: 3:00 p.m.

Event: SleepOut4 Independence

Contact: Rotarian [Verni Howard](#) (318) 230-3294 CELL

Opportunities: (1) We will need volunteers to help with registration and loading/unloading cardboard
(2) We also need (5) people to serve as judges for the cardboard structures

What is SleepOut?

This event is an educational forum geared towards middle and high schoolers to bring awareness to homelessness in our communities. Each year students in Shreveport, Bossier and surrounding communities spend an entire night out at Independence Stadium lodging in shelters built from cardboard, string and tape. The end goal is for our children and community to become aware and sensitive to the needs of so many in our local community.

Rotarian **Henry Martin** invites you to contact committee chair Rotarian **Zelda Tucker** to sign up to serve meals at the rescue mission on these dates in April: April 6 and April 13

“Pack the Senior Boxes” on Thursday, April 18th at the Food Bank. Rotarian **Martha Marak** invites you to contact her or committee chair Rotarian **David Ginsburg** to get on the list.

Contact club director **Amanda Gouthiere** to get listed in this Volunteer Opportunity posting!

JUNIOR ACHIEVEMENT

Per Rotarian **Nita Cook**, volunteering with Junior Achievement is such a rewarding experience, as volunteers are able to work closely with students, teaching them about financial literacy, work readiness, & entrepreneurship through our proven programs. Volunteers are required to complete a one hour training session and will receive a kit with all of the materials to teach the program they have signed up for. Volunteers only commit to teaching one program at a time, so there is no required long term commitment.

See our April opportunities below:
