

# Rotaripost

NOON — 12:00  
Meeting

April 5,  
2022

## Keynote

### Louisiana Public Schools

**Dr. Cade Brumley** began his tenure as the Louisiana State Superintendent of Education in June 2020. He is a product of public education who has invested his entire professional career into improving the lives of Louisiana children. He has served students as a teacher, coach, assistant principal, principal, district leader and superintendent.

Prior to joining the Louisiana Department of Education, Dr. Brumley served as superintendent of Jefferson Parish Schools, the largest school system in the state with more than 51,000 students. Before that, he served six years as DeSoto Parish Schools superintendent. During his time in DeSoto, results greatly improved and the system now ranks as one of Louisiana's top ten districts for student and academic achievement, an increase from 49.

Dr. Brumley holds a B.S. in education from Northwestern State University, a Master of Education in school administration from LSUS and a Doctorate of Education in school leadership from Stephen F. Austin State University. He has served as adjunct instructor at multiple universities and has supported numerous non-profit organizations in the areas of organizational leadership. He has completed several post-doctorate fellowships centered around urban education in America.

Brumley is a dynamic public speaker, a triathlete and marathoner. His wife Toni earned undergraduate and graduate degrees from Northwestern State University. They are parents to two sons.

3—Walter Lamb having his badge scanned by John David Person.

4—Holly Roca and her guest, Christy Johnston.

5—Curtis Joseph with his guest, Wendy Slater.

## Paul Harris Fellow Level-Ups

Last Tuesday, President Lawrence presented a PHF+3 pin to **Margaret Wallace**. Margaret received her B.S. from Mississippi State in medical technology and her Masters degree in allied health from LSU. She began her career working for Charity Hospital in New Orleans and was recruited to Shreveport in 1984 by our local blood bank to serve as the executive director at their location here. When the name was changed to LifeShare Blood Center, Margaret was named President/CEO.

Margaret spent her entire professional career working to better medical services for patients. She worked with state legislators for changes in blood supply and handling. She was instrumental in starting the procedure for preserving/freezing rare blood. She serves on the Board for American Blood Banks and is a life member of the American Blood Center.

Margaret joined our club in 2001 and served as a club director in 2017-2018. She has chaired several club committees and continues to volunteer to serve wherever needed. You'll see her often selling raffle tickets at our meetings.

**Joe Littlejohn** was awarded his PHF+7 pin. Joe has been a registered representative for New York Life for over 40 years and holds the CLU (Chartered Life Underwriter) designation which is one of the premier designations for insurance professionals.

A graduate of Loyola College Prep, he received his Bachelor's degree from LSUS and his MBA from Centenary. He is now also an adjunct instructor at Centenary.

Joe has served in leadership roles on several local boards: Goodwill Industries, Shreveport-Bossier Convention & Tourist Bureau, NAIFA-Shreveport, Tax & Estate Planning Council of Shreveport, Independence Bowl Foundation, Red River Revel, Caddo-Bossier Rescue Mission.

He joined our club in 1980, has served on most of our committee and was club president during 2018-2019. Be sure to ask Joe about his interest in railroads. He's our resident "train expert".
