Keynote

RYLA Campers!

(Above) RYLA students at one of our June meetings: Creighton France (Lee Underwood's grandson), Ethan Edwards (Jeffrey Thomas' family friend), Melina Keele (Anna Maria Keele's daughter) and Melina's two friends, Kynnedi Horton and Cassidy Johnson (inset picture)

In the last week of June 2017 our club sponsored five high school age students to participate in our Rotary District's Rotary Youth Leadership Awards (RYLA) camp at Outdoors Wilderness Learning (OWL) center near Dubach, Louisiana. Students were recruited by our club members. RYLA committee chair Don Howard talked with each of the candidates to make certain that they were qualified to attend the camp.

Ideally, the camp is intended for rising juniors (sophomores moving into their junior year) but exceptions are often made when sophomore or seniors are able to attend. While grades are one of the consideration for participation, the main criteria is a student who has leadership potential or one who participates in service and/or school club activities.

Our club pays the entire camp cost for the students we sponsor, including their iShuttle transportation to the camp. Thank you, iShuttle owner, Rotarian David Wimberly!

- A Special Note -

President Rotary Club
OF Shreveport:

Neither Lois nor I can
imagine what our life
would have been without
this Rotary Club. It has
taken us over the 48 years
of membership to every
state in the Union and more
than 30 countries world wide
and many good friends along
the way.

June 27 will be my
last day of club
membership. We've
given some thought
to how to say thanks

- A Special Note -

To our Rotary Club, we have
agreed just a simple THANKS
and time marches on.
In the days ahead I look
forward to my friend and
past RI President Jim Lacey
introducing us to a new club
in Tennessee.

Words from Harold: *"When we moved to Shreveport with the Red Cross in 1968, I didn't know anyone in town. So, I joined the Rotary Club of Shreveport and greeted fellow Rotarians at the door for a couple of years. After that time, I knew all the 'movers and shakers'. I could pick up the phone and call some of the most important people in town. They knew who I was and I was on a first name basis with them."*
