Senator Bill Cassidy grew up in Baton Rouge and attended LSU for undergraduate and medical school.

For nearly three decades he has provided care for uninsured and underinsured patients in Louisiana's charity hospital system. He co-founded the Greater Baton Rouge Community Clinic, providing free dental and health care to the working uninsured. He created a private-public partnership to vaccinate 36,000 children against Hepatitis B at no cost to the parents. In the wake of Hurricane Katrina, Bill led a group of health care volunteers to convert an abandoned K-Mart building into an emergency health care facility, providing basic health care to hurricane evacuees.

Senator Bill Cassidy

In 1990, Dr. Cassidy joined LSU Medical School teaching medical students and residents at Earl K. Long Hospital.

In 2006 he was elected to the Louisiana State Senate. Two years later, he was elected to the U.S. House of Representatives to represent Louisiana's Sixth Congressional District. In 2014 he was elected to the U.S. Senate.

Senator Cassidy is married to Dr. Laura Cassidy and they have three children.

New Member Introduced August 22nd

Timothy W. Lennear, Jr. was introduced on Tuesday as our newest member. He recently relocated to our area after serving as the program director for The Center for Drug-Free Living in Cocoa, Florida. Tim is now the executive director and principal at AMIKids Caddo. After receiving his B.S. in professional administration from Barry University he earned his M.S. in management from Webster University.

When you meet Tim, you will readily see his passion for the educational development of each student and the professional development of each staff member.

He is interested in serving on these committees: golf tournament event, raffle sales benefitting The Rotary Foundation. He and wife Tasha have three children, ages 11, 13 and 15. His classification is **Education, Charter Schools** and his proposer is Tom Arceneaux.

Rotarian **Bobbie Brasher** was recognized last Tuesday for gaining her Paul Harris Fellow +3 level. Bobbie joined our club in 2002 and was sponsored by her brother, Dr. Juan Watkins. She retired as an associate broker with Coldwell-Banker J. Wesley Dowling Real Estate. Bobbie served as a club director in 2005-2006 and again in 2016-2017. She also has chaired our Friendship Exchange Committee and has participated in a District 6190 Rotary Friendship Exchange to England. Bobbie seldom misses a Rotary meeting and is always willing to help the club in any capacity.

Bobbie Brasher (on left) accepts her new PHF+3 pin from President Teri Haynes.

Did you know that OUR club installed this playground equipment at 1515 Clay St. adjacent to the Allendale Friendship House? This was completed about 15 years ago and it is still in great shape and used often by the neighborhood children.

Congrats to Rotarian Sarah Collier for being selected 2017 Junior Achievement Laureate!
