NOON — 12:00  
Meeting  
December 22,  
2020

## Keynote

### Shreveport Mudbugs

The **Shreveport Mudbugs** are a Tier II junior ice hockey team based in Shreveport as a member of the North American Hockey League.

The new Mudbugs replaced a former professional team that played in the area from 1997 to 2011 known as the Bossier-Shreveport Mudbugs. The Mudbugs home is George's Pond at the Hirsch Coliseum.

**Tommy Scott** has been a fan and season ticket holder since year one of the Mudbugs, so much so that he decided to become an owner in 2009! Even with a bachelor's degree in management, Scott still emphasizes that the thing that makes him most qualified for his position is his undeniable passion.

*Tommy Scott*

As President and Managing Partner of the Mudbugs, Scott holds a lot of responsibilities for the team, but at the core of his professionalism is his love for his staff

and his love for hockey.

**Scott Muscutt** has been with the Mudbugs from the very beginning of franchise history. In fact, he was THE very FIRST Mudbugs player to sign a contract! "Musky" likes to say he has been with the Mudbugs since dirt was invented.

He has played, coached, and been the General Manager since the team was born in 1997. Many of the fans know Musky as the "Jack of all Trades" and they aren't wrong! If you see a man making laps around the arena in a suit, there's a good chance that it is probably GM Scott Muscutt!

## Civic Grant Cycle Now Open

Area non-profit organizations planning projects to benefit the Shreveport-Bossier community in the coming year may now apply for local funding from our club to aid their efforts.

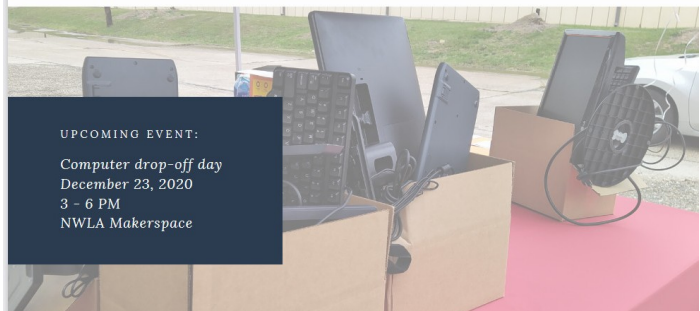

We are now accepting civic grant applications, which must be postmarked no later than February 19, 2021.

The maximum amount for any one grant awarded will be \$5,000. We award a limited number of grants which are reviewed and selected by our civic grant committee members who vote independently after reviewing all grants. The organizations receiving the most number of votes will be awarded a grant for their project.

Be certain to let your favorite non-profit organization know about this opportunity. The application is available on our club's website or you can request information at [shreveportrotary@gmail.com](mailto:shreveportrotary@gmail.com).
