Shreveport
Convention
Center

Rotarians Serving Others

A new Rotaract Club has been born at BPCC. Thanks to the encouragement of Chancellor **Dr. Rick Bateman**, faculty sponsor **Kelly McDade** and staff sponsor **Tiffany Sandifer** are up and running alongside a great group of students.

A Rotary Foundation alumnus, Kelly was a Group Study Exchange team member to Thailand several years ago. Tiffany is no stranger to Rotaract as she was a member of the Rotaract Club at LSU-Shreveport.

Chartered on November 17, 2016 our club is the sponsoring Rotary Club for the group. The students have been very busy with service projects and activities. They have their meetings every other Thursday at 3:30 at the

campus. Each of us is invited to attend their meetings and participate in their activities and projects.

Rotaract clubs decide how to organize and run their club, manage their own funds, and plan and carry out activities and service projects aligned with causes that are important to our community. We are here to offer guidance and support and work with their club as a partner in service.

You've seen him at meetings...quietly moving about the room taking pictures. You'll see those pictures on our [Facebook](#) page later.

Who is this man behind the camera? He's our very own **Rob Eppers** who joined our club a year ago. He's the COO of Risk Services of Louisiana (same company as deceased Rotarian Joe Calloway). Not only is he an professional insurance expert but he has the photography down pat too!

Thank you for serving the club, Rob!

Peyton LaBorde received his Paul Harris Fellowship on Tuesday. A member for less than a year, Peyton quickly realized the good that Rotary does around the world.

Peyton has been with Wholesale Pump & Supply since 1993 and is now their CFO.

A graduate of Centenary with degrees in accounting and business management, he is a active volunteer in the community serving on the board of Southfield School Foundation, the Louisiana Groundwater Association as well as other organizations.

Congratulations, Peyton! Thank you for your support of The Rotary Foundation.

Peyton LaBorde with President Jeb.

John Tuggle with President Jeb

As a PHF+1 Rotarian **John Tuggle** received his new pin from President Jeb.

John is the executive director of our Shreve Memorial Library system. Although John was born in San Bernardino, CA his family moved to Hot Coffee, Mississippi where he grew up. Now, don't you just love the name of that town?

With master degrees from the University of Southern Mississippi, John had 20 years library leadership experience when he relocated to Shreveport in 2015. Rotary has been an important part of his life for some time as John was a member of the Rotary Club of Savannah East, served as club president and club's Rotary Foundation chair. Continuing his Rotary experience was a consideration in his relocation.

John is involved in several committees: raffle, sgt at arms and chaplaincy. Thank you for your support of The Rotary Foundation, John, and thank you for making Rotary a priority!

Your Recognition Points—Good For Only One Thing!

Lawrence Calhoun had so much fun surprising his wife Connie with a new Paul Harris Fellowship that he wanted to do it again....this time to his “ski buddy”.

On Tuesday, Lawrence called fellow Rotarian and long time friend **Kandi Moore** to the podium to recognize her as a Paul Harris Fellow. Kandi’s husband Rusty was in on the surprise as well and attended the meeting to see her honored.

Kandi was quite taken with the surprise honor and while she was choking back tears she said that she was “over the moon” excited to be a part of our Rotary club.

Kandi is the CEO of Specialists Hospital and was sponsored by Lawrence as a new member less than a year ago.

Lawrence Calhoun talks about his long friendship with Kandi Moore.

President Jeb and Kandi Moore.
