## “Free On A Fender” Project

Over the last three Tuesdays, our current Red Badge Committee (aka “The Courageous”) collected cold weather gear to give to the homeless. This past Saturday morning was the distribution time.

What started out as a “Free On A Tree” project turned into a “Free On A Fender” project. The committee members partnered with [Feed The Homeless-Shreveport](#) project that has been going strong for six years. The project was started by Candy Jett and involves various community partners.

Free meals and healthy snacks are provided by this group every Saturday morning at 9:00 at the rear parking lot to First United Methodist Church. Our Courageous Rotarians were there to provide the cold weather gear to the homeless in the area. It was a huge success and our Rotarians are pumped with the success! Thanks to all of our members who provided donations!

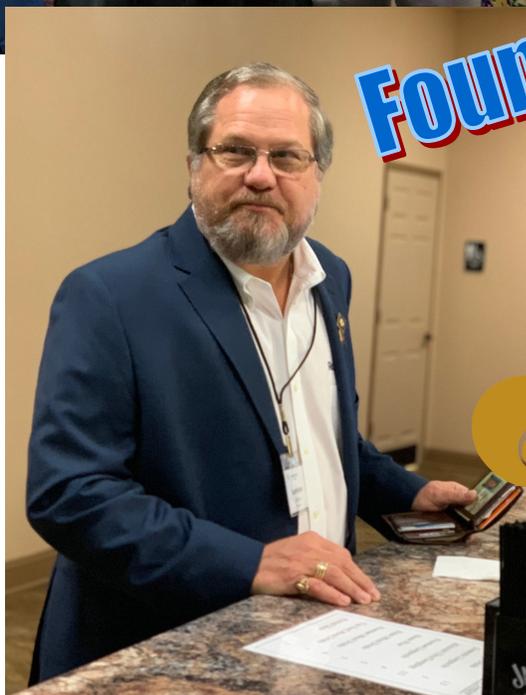

They’ll give us a report on Tuesday!

Rotarians pictured above are Johnathon Goff, Judy Bellew, Jon Ellis, Robby Latham and Bill Franklin. Others shown are Robby Latham’s son, Candy Jett and her daughter and one of the recipients.
