GREAT Program, Civic Grant Recipient

Caroline Hendrix

Caroline Hendrix, a Shreveport native, is the Director of The ARC Caddo-Bossier's GREAT program (Great Results Equine Assisted Therapies). She has been with The ARC for 20 years and is a PATH (Professional Association of Therapeutic Horsemanship) international instructor.

After graduating from C.E. Byrd High School, Caroline attended and graduated from Western State College of Colorado with a degree in recreation emphasizing in outdoor education. She is happy to be in her hometown where she is raising her 15 year old daughter and 10 year old son.

Since 1997, ARC's GREAT Program has been offering therapeutic horseback riding services to children and adults with disabilities. This program positively affects the physical, cognitive and social well-being of its students. They offer diverse programs to local schools and hospitals, as well as private lessons and inclusive summer camps.

GREAT is located in a new state-of-the-art facility on the Greenwood-Springridge Road in Greenwood, LA. The organization's instructors are trained to teach students with a variety of disabilities including, but not limited to downs syndrome, cerebral palsy and traumatic brain injury.

Our civic grant committee awarded a \$5,000 grant in 2019-2020 to GREAT to have two loafing sheds built in two of their pastures. These three-sided shelters are available when the horses enter at will to get out of bad weather.

Twenty Benefits of Rotary Membership

#5—Prestige—Rotary members are prominent people: leaders of business, the professions, art, government, sports, military, religion and all disciplines. Rotary is the oldest and most prestigious service club in the world. Its ranks include people who make decisions and influence policy.

1

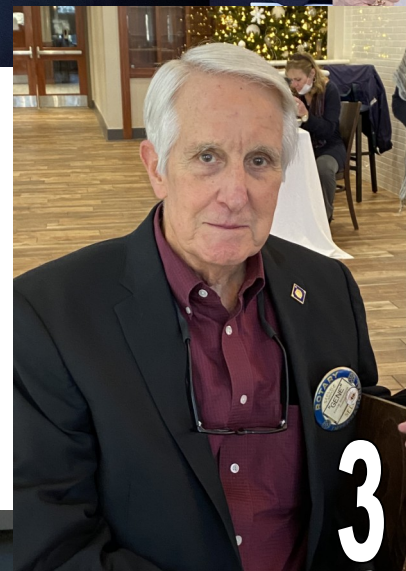

1— Greg Juneau with his guest, Teresa Juneau.

2

2—Laurie Boswell with her guest, her brother Kemper Smith who previously was the Rotary club president in Bunkie.

3—Gene Richardson who on Tuesday celebrated the 53rd anniversary of his induction into Rotary. The meetings in 1967 were held at the Washington Youree Hotel (the current location of Louisiana Tower at Travis & Edwards) and Jim Gardner was club president. Gene strives for his 100% attendance each month!

Paul Harris Fellowship Level Up

On Tuesday, President Laurie Boswell presented Rotarian **Greg Juneau** with his PHF+5 lapel pin. Greg is the owner of Delinquent Recovery Associates and has been a member of our club for 15 years. He served as a club director in the Rotary year 2018-2019.

Greg became a private pilot in 1992 and flies his Bonanza 35 as often as he can. For fun, he went through the full Caddo Sheriff Office Academy and became certified to ride patrol which he does about 120 hours per year and fills in for full-time units.

He and wife Teresa are proud grandparents to five grandsons ranging in age from 17 years to 3 years, all living close by. They love coming to Big Daddy and Bunny's house to hang out at the lake.

Greg has been a supporter of The Rotary Foundation for many years. His preferred method of giving is by RIDirect which is an automatic payment from a credit card or withdrawal from your bank account. He encouraged fellow Rotarians to look into this method of donation. See the form on page 5 of this Rotaripost.

From Germany to Shreveport

Last Tuesday Rotarian George Bakowski shared his life's journey with us —how he was born in Frankfurt, Germany, then started school in Gary, Indiana speaking only German. Through a tour of duty with the U.S. Air Force George decided to come to Shreveport to open his optometry practice. We're all glad that he chose Shreveport!

Thank you, George!
