Elizabeth Eckford

It was 60 years before **Elizabeth Eckford** felt that she must share her story. People are being harassed in toxic environments at school, work and in our government. They endure hateful statements from their peers with no reprieve in sight.

Some people don't understand the consequence of what they say and do. Ms. Eckford hopes that by sharing her story she can make them start recognizing the impact of their behavior.

About the book cover—The red represents the rage displayed by nearly 300 segregationists who gathered to prevent Elizabeth from entering Central High. The words interwoven within the crowd reflect their actions and beliefs, based solely on difference. The blue and white gingham border represents a special detail on the dress that Elizabeth made in honor of her first day at her new school. Combined, the colors represent the bullying, bias and attacks that, unfortunately, many students continue to endure in one form or another in schools across the country.

Paul Harris Fellowships Level-Ups

On Tuesday President Joe recognized four members who have recently received PHF level-ups.

Greg Juneau (PHF+2) is owner of Delinquent Recovery Associates and has been a Rotarian for 13 years. He serves on the club's current Board of Directors.

Rich Brontoli (PHF+3), a 20 year Army veteran, is executive director of Red River Valley Association. He has been a Rotarian for 25 years and is our club's current President-Elect.

Francesca Benten-Moreland (PHF+2) is partner and co-owner of Williams Creative Group. She was introduced to Rotary initially as a non-Rotarian member of a Rotary Foundation Group Study Exchange Team that spent several weeks in England. She has been a member of our club for 19 years and served in the 2014-2015 year as our club president.

David Cromwell (PHF+5) is a partner in the law firm of Pettiette Armand Dunkelman Woodley Byrd & Cromwell. A member of our club since 2001, David served as a club director in 2010-2011 and was just recently elected to serve as our club's secretary-treasurer beginning July 2019.

DID YOU KNOW.....when you donate \$1 to The Rotary Foundation you earn 1 recognition point. Recognition points are "good for nothing" except to GIVE them away and name someone else (Rotarian or non-Rotarian) as a Paul Harris Fellow.

If you want to know how many recognition points you have to honor someone ask Judy!

What: Rotary Leadership Institute

When: Friday, February 15th and Saturday, February 16th

Where: BPCC campus, Bossier City

Cost: FREE and includes free lunch!

Rotary Leadership Institute (RLI) is designed for those Rotarians who have the potential and willingness to engage in future club leadership (not necessarily as club presidents) to provide them with a quality education in Rotary knowledge and leadership skills so important in voluntary organizations.

The leadership skills you will obtain at an RLI event will help you not only in your Rotary career, but will apply to your leadership efforts professionally as well.

RLI is a series of three fast-paced, interactive, one-day courses. The sessions are facilitated by trained Rotary leaders in each district and are fun, topical, and geared toward active Rotarians who want to be more effective leaders in their clubs. Parts I, II and III will be offered but the courses are scheduled so that you can attend only one part per day. [Learn more by downloading the RLI brochure here.](#)

To learn more about the upcoming sessions and for help with registration, talk with Teri Haynes, Karen Johnson or Judy Bellew.
