One of the angels at Holy Angels

**Tuesday,
12:00 Noon**

**12:13 p.m.
Historical Start**

**Shreveport
Convention
Center**

Meeting will be in Exhibit Hall 1 on the first floor next Tuesday.

Dr. Paul Wilson is a board certified internal medicine physician who selflessly serves as Medical Director of Holy Angels. His father, the late Dr. Woody Wilson, served Holy Angels in the same capacity for many years before retiring and passing the torch to his son.

Throughout his years working with the residents of Holy Angels, he has encountered many heartwarming stories of strength and healing. He has also cared for those without families who rely completely on Holy Angels for care. We look forward to him sharing some of these stories with us on Tuesday.

Dr. Wilson has been in practice since 1991 and was a founding partner of Pierremont Internal Medicine Associates. He received his undergraduate degree from SMU and earned his medical degree from LSU School of Medicine.

He is the son of author and community volunteer, Anne Wilson, who also shows support to Holy Angels by donating a portion of proceeds from her latest book.

Holy Angels was awarded a 2018-2019 civic grant for \$4,000 to purchase technical equipment for residents.

Last Week's Presentation

Always speaking spontaneously and humorously, Sheriff Steve Prator mentioned that his predecessor had been an honorary member of our club and Steve had spoken to us more times than the previous sheriff and we had not honored him similarly.

After his presentation, President Rich presented him with a speaker gift AND one of Jon Lowe's tomatoes. Prater said he was appreciative especially since it wasn't thrown at him.

June 6-10, 2020

The Rotary International Convention is in Honolulu next June 6-10, 2020. Our club leaders feel this would be a wonderful opportunity to plan some pre-convention and/or post-convention tours as many Rotarians might like to extend this to a family vacation in addition to having the opportunity to attend a Rotary convention where you will meet Rotarians from around the world. You will be amazed at the international impact of Rotary! There is simply nothing like a Rotary International Convention!

We have asked one of our club members, Elton Richey, franchise owner of Expedia Cruise Ship Centers here in Shreveport, to plan some excursions for us. We would like to know of your interest in these plans. Please complete the attached google survey at this secure site:

<https://forms.gle/Cw9UwYmF5ygzHKNi8>

Elton will be meeting with some of the Hawaiian tour operators during August so we would like to have a gauge of the number of Rotarians who are interested and their areas of interest. If at all possible please complete the survey by **August 10th**.

There will be a presentation from Elton's Hawaii tour operators on **Saturday, August 17th** from 3 p.m. to 4:30 p.m. at Ono's Hawaiian Grill, 4015 Fern Ave., Shreveport, LA. This is a free event but pre-registration is required. Please use this eventbrite link to register for this opportunity:

Information about the Rotary Convention is at this website:

The next deadline to register for the convention is in December. After that the prices go up. Hotel accommodations are to be made through the Rotary link since Rotary has blocks of rooms reserved at almost all of the hotels.

This invitation has been shared with other Rotarians in our district. Former member and past club president Carol Barnes plans to attend and she is extending the offer to her district in Oxford, MS. It'll be fun to have a nice group of our Rotarians and their families to enjoy this together.

If you have questions, please direct them to President-Elect Laurie Boswell or to Judy Bellew.

International Rotary Club Visits

When Larry Evensky travels, he always uses his Rotary Club Locator Mobile App to find a Rotary Club to visit. On July 17th, Larry visited the Rotary Club of Providenciales in the Turks & Caicos Islands. Shown below are Larry with their club president Alvin Parker. Check out the large Rotary wheel on the beach!
