Big Project—What's Next?

June 5-June 12th

The club members' vote for favorite project has been given to the Large Project Committee comprised of some of your fellow Rotarians. This committee will review the projects and the club surveys and will make their final recommendation to the Board of Directors for approval.

June 19th

The Executive Committee will announce the Rotary Club of Shreveport's next Big Project!

Lionel Eltis, 1917-2018

It was just 2 weeks ago that Rotarian **Lionel Eltis** was presented with his Paul Harris Fellow +3 lapel pin.

Lionel was admitted to the hospital on May 31st and passed away peacefully in his sleep on June 3. Services were held at B'nai Zion Congregation on June 6. Several Rotarians were in attendance. During the service it was noted several times how much Rotary meant to Lionel. We learned that he would talk with his daughter and son every Tuesday evening and Lionel would tell them if he won the raffle, what he had to eat, what the program was and what he learned at Rotary.

When learning of Lionel's death, our former member Harold Denny who moved to Tennessee last year remarked: "How sad I am tonight going to bed with a heavy heart....what a great loss to Shreveport Rotary. Old men are not supposed to love one another, not so with Lionel and me. Now I hope he

finds a good Rotary club wherever he rests."

Rest in peace, Lionel. You will be missed!
