The Rotary Learning Bus has been busy

Here are the ways that Common Ground has used the bus....

- We have used it to take people to get vaccinated.
- The summer camp kids are going to field trips in it.
- We have been having Mommy and Me events outside and used it as transportation for it.
- Our group of middle and high school aged girls is using it year round to transport them to the center and on field trips. (This has turned into a really dynamic program that would not work without the van!)

Now that places are opening back up and more open to having folks visit, we are beginning to try to schedule "Rotary Learning Bus" events. We are finding that everyone is a little rusty, a bit unsure of what their plans are. Also, we are finding that the community members are still hesitant about venturing out. So this programming will grow as we move towards the fall.

- We will have at least one event at Common Ground on one Thursday this summer and another one for the summer camp families.
- We have strengthened the connections at Atkins and will be there quite a bit next school year.
- We plan to go to the Highland Jazz and Blues Festival again.
- We will keep you up to date as we begin to add to our schedule.
