**Scholarships**

As Benjamin Franklin once stated, “An investment in knowledge always pays the best interest.”

Next Tuesday we will make such an investment. Our club has awarded scholarships to students from the five local institutions of higher learning for at

least the past 35 years. Last year we added Bossier Parish Community College to this list of institutions.

The initial award amount many years ago was \$350 per student. This has been increased over the years to a significant \$2,000 per student. These scholarships are funded primarily through our membership dues.

Following our club’s established eligibility requirements, three students are selected by the financial aid office of each school to submit applications. The students come from various backgrounds and majors. Our Scholarship Committee reviews all the applications, recommendations and transcripts during the selection process. Among other eligibility rules, criteria include: excellent scholarship (top 15% of the class), genuine financial need, evidence of some form of “Service Above Self” in their personal and/or student lives.

Scholarship winners receive the \$2,000 while runners up receive \$350 for participating. This year’s \$2,000 per student scholarship recipients are:

**Centenary College—Cecelia Rodriguez**

**LSUHSC—Claire Elizabeth Hays**

## Points of Light Volunteer Pathway

President Joe Littlejohn was in Washington, D.C. last week and spotted this bronze medallion of Rotary's founder Paul Harris. There are 34 bronze medallions honoring people who have made a true difference throughout the world. The medallions are embedded in sidewalks that form a one-mile walking path along Pennsylvania Ave.
