On Tuesday we are going to get to see and experience our gift to our community! Last year all of you voted on our Big Project which is the Rotary Learning Bus.

Our partners in this project are Step Forward, Common Ground, Shreve Memorial Library, Food Bank of Northwest Louisiana, Martin Luther King Health Center. In addition, collaborating organizations are Holy Angels, Bossier Parish Community College, Caddo Parish School Board and Williams Creative Group.

A prize will be awarded following a drawing from those members who have submitted a photo of the Learning Bus as it has been spotted around town. This contest is open until next Monday. Photos of the bus taken at the Common Ground location on Southern are not eligible. Email your photo no later than Monday to the Rotary office with the date and location of the sighting.

We will have fun volunteer opportunities in which we can participate. This project is so well organized that volunteers will have all the material and the scripts provided to you.

From there, Glen served eight years as the minister of music at First Baptist Church in Augusta, GA and then, for 15 years, he was the minister of music at First Baptist Church in Greenville, SC. Glen was a member of the Rotary clubs in both High Point, NC and in Greenville, SC. From 2007-2010 Glen and his wife served as full time missionaries to the Roma (Gypsies) in Hungary.

Since 2013, Glen has been the minister of music at First Baptist Church Shreveport. He and wife Clista have two daughters, two sons-in-law and three grandsons.

Glen is also the executive director of the Academy for the Arts and director of the Shreveport Bossier Community Chorale.

He is a Paul Harris Fellow with 15 years prior Rotary membership. His sponsor is Clovis Burch.

Great American Clean-up—Saturday, April 13th

Robert Smith is chairing our Great American Clean-up project along with **Andre Carter** from BPCC Rotaract serving as co-chair. On Tuesday, Robert and Andre promoted this event where we will be cleaning up litter around the Renzi Center on Egan St. Our club, with help from our Rotary district, provided the Renzi Center with a grant this past year and we have participated in earlier clean-ups this year.

This project is sponsored by Shreveport Green. After each team completes their project and the trash is delivered to the Fairgrounds to be weighed, everyone is invited for hot dogs and hamburgers cooked by the Caddo Parish Sheriff's Department and the Shreveport Police Department.

This is a great service project to include children and grandchildren. Contact [Robert Smith](#) to get on the Rotary/Rotaract Team!
