

Keynote *Experimental Aircraft Association*

George Carroll

What's the Experimental Aircraft Association all about? Is that a plane made out of balsa wood and popsicle sticks in your neighbor's garage? You'll find out when you come to Rotary on Tuesday to hear from Rotarian **George Carroll** who has served for 12 years as president of the Experimental Aircraft Association Chapter 343 at the Shreveport Downtown Airport.

George, a Shreveport native, is a graduate of LSU-Shreveport with a B.S. in mathematics. After graduation he was employed by LSUS as a network analyst and retired after 27 years there. Microsoft Certified, he now owns Nautilus Information Technology providing technology support and computer consulting to many industries—petroleum, HVAC, legal, medical, utilities, gaming, manufacturing, wholesale and aviation industries.

One of George's passions is flying in addition to boating and reading. He is on the citizens advisory panel of Chemtrade. George stays close to his hobby as his Nautilus office is at his hangar at the Downtown Regional Airport.

George and wife Jane have been married for 24 years. A member of our club for one year, George has been actively involved in our blood drives and is a regular blood donor.

Rotary Club of Shreveport Civic Grants Status

We had a record number 71 civic grant applications this year. The applications was distributed on Tuesday to committee members who were present. Other committee members can pick up a set of the applications next Tuesday. Recipients will be announced by April 15, 2017. See chair [David Cook](#) with any questions.

Miles Hitchcock with President Jeb

Miles Hitchcock was presented with his Paul Harris Fellowship +1 lapel pin on Tuesday. Miles is a business leader, educator, community activist and veteran all rolled into one.

He retired as a Lt. Colonel from the U.S. Army Reserves after a career from 1971 to 1995. He received his B.S. in mathematics from Centenary, his M.S. in math from LA Tech and his doctorate degree in information systems from Nova University in Ft. Lauderdale.

In addition to his service on several community boards, Miles served on the Caddo Parish School Board representing District 12 from 1994-2002.

He teaches all things math at Bossier Parish Community College—from remedial courses to four semesters of calculus.

No stranger to Rotary, Miles was previously a long term member of the Rotary Club of West Shreveport (now the Red River Rotary Club) and served as their president in 2000-2001. He and wife Linda have been married for 43 years. One interesting tidbit is that they sat beside each other in the first grade.

After accepting his newest pin, Miles shared with the group that he is a better person for being a Rotarian!

Rotary Club of Shreveport Scholarships

Scholarships of \$2,000 each were presented last Tuesday to these students, shown from left: Amane Ali—LSUS, Lindsay Olinde—LSUHSC, Jessica Mango—NSU School of Nursing, Bailey Martin—Centenary College and Sharonda Suttle—Southern University. Money for these scholarships is funded entirely from our dues.

APPLICATION FOR MEMBERSHIP

Unless written objection is received within seven days,
there will be added to the membership of

Rotary Club of Shreveport

the following:

Proposed by

Greg Lott

Rotary Club of Shreveport will now begin offering monthly service opportunities with ALL of our nonprofit members. It is our hope that this will re-emphasize the SERVICE ABOVE SELF motto and that these organizations will obtain new volunteers!

LVCC is in need of volunteer tutors. If you can give 2 hours a week to help someone improve their literacy skills, it would be beneficial to the individual and his family. If you would like to donate your time to volunteer, please call Sue Lee at (318) 869-2411, and we will get you started. It is very worthwhile to see someone grow in literacy.

Words With Friends® and Scrabble® players wanted! Literacy Volunteers at Centenary College 10th Annual Scrabble Tournament will be held on Saturday, April 8, 2017 at the Kilpatrick Auditorium at Centenary from 12:00 to 5:00 P.M. Contact Rotarian [Sue Lee](#).

PROVIDENCE HOUSE

Date: Saturday, April 29th (Independence Stadium)

Time: 3:00 p.m.

Event: SleepOut4 Independence

Contact: Rotarian [Verni Howard](#) (318) 230-3294 CELL

Opportunities: (1) We will need volunteers to help with registration and loading/unloading cardboard
(2) We also need (5) people to serve as judges for the cardboard structures

What is SleepOut?

This event is an educational forum geared towards middle and high schoolers to bring awareness to homelessness in our communities. Each year students in Shreveport, Bossier and surrounding communities spend an entire night out at Independence Stadium lodging in shelters built from cardboard, string and tape. The end goal is for our children and community to become aware and sensitive to the needs of so many in our local community.

Rotarian **Henry Martin** invites you to contact committee chair Rotarian **Zelda Tucker** to sign up to serve meals at the rescue mission on these dates in April: April 6 and April 13

“Pack the Senior Boxes” on Thursday, April 18th at the Food Bank. Rotarian **Martha Marak** invites you to contact her or committee chair Rotarian **David Ginsburg** to get on the list.

Contact club director **Amanda Gouthiere** to get listed in this Volunteer Opportunity posting!

JUNIOR ACHIEVEMENT

Per Rotarian **Nita Cook**, volunteering with Junior Achievement is such a rewarding experience, as volunteers are able to work closely with students, teaching them about financial literacy, work readiness, & entrepreneurship through our proven programs. Volunteers are required to complete a one hour training session and will receive a kit with all of the materials to teach the program they have signed up for. Volunteers only commit to teaching one program at a time, so there is no required long term commitment.

See our April opportunities below:

2nd grade at Shreve Island Elementary April 3-7th (30 mins once a day for 5 days; 8:30-9:00am)

3rd grade at Shreve Island Elementary April 3-7th (45 mins once a day for 5 days; 8:30am, 10:20am, 11:00am, or 1:45 pm)

Kindergarten at Shreve Island Elementary on April 24-28th (30 mins once a day for 5 days; 12:45-1:15pm)
