Let's Talk Lunch Meeting Venues!

On Tuesday we plan to have a club presentation and discussion on our choices of venues for our Tuesday lunch meetings. We want to hear from everyone on your preferences for not only the venue and food choices but your input on the club projects that are funded through our dues system.

According to COVID guidelines, we can now have more attendees in the room but we are being cautious and will be inching up our attendance. As a result, we will once again “flip” the room to see how we can fit in more tables. The excellent A/V system that we now have in place for the in-person and hybrid meetings takes several computers serving different functions, multiple cameras and screens. Please be patient as we work toward the best experience for those attending in-person and for those on Zoom.

On the menu, we'll have pot roast, mashed potatoes, squash medley, salad and dessert. The alternate lunch is grilled chicken salad. We won't have the salmon alternate available.

Common Ground Service Project on Friday, May 14th

Some of our newer members put in some long hours at Common Ground last Friday. This is such a streamlined operation and serves so many families in the Cedar Grove area. Pictured in left photo are RaShad Bristo and Melissa Ricou. Greg Redmond is with Judy Bellew in the right photo.

New Paul Harris Fellow

Joe Littlejohn and Wishy Nolan surprised their friend **Dr. Barbara Davis** with a Paul Harris Fellowship on Tuesday. Barbara is a professor of accounting and finance at Centenary's Frost School of Business and is the school's second William J. Atkins Dean of the Frost School.

She has been a member of the Centenary faculty since 1986. She received her Doctor of Business Administration from Louisiana Tech, is a CPA and holds several professional designations.

Barbara is a beloved faculty member who maintains close ties with alumni and is a valued colleague to the Centenary faculty. She teaches both undergraduate and MBA students at the Frost School of Business.

Pictured are from left are Joe Littlejohn, Dr. Barbara Davis, Centenary President and Rotarian Dr. Chris Holoman and President Laurie Boswell. Not shown is Wishy Nolan.

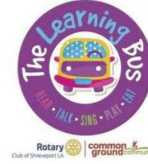

We love seeing our Rotarian GENERALS huddle up for lunch! Here we have from left Maj.Gen. James W. Graves (retired), Lt.Gen. James M. Kowalski (retired) and Brig.Gen. George Peyton Cole (retired). Do you think that the word Barksdale might have come up over lunch?

Last Week's Program

We enjoyed hearing from Michelle Reininger, Colony Director at Chimp Haven. The audio sounded a bit gambled in the room because of the mic that the Zoom presenter was using.

But the audio is perfect on Zoom. If you want to watch our entire meeting video and see the presentation again you can use [at this link](#) to reach our Facebook page.
