Veterans Day!

Our 2020 Veterans Recognition Program Speaker and a Great Modern Military Adventure with Many Local Roots

THE WAIT IS OVER. THE MYSTERY WILL BE REVEALED!

This Tuesday, November 10, 2020 we will finally learn the identity of the exotic “Man of Mystery” who planned and participated in one of the greatest military adventures of modern times. In the process, he demonstrated a uniquely American military capability that is a comfort to our allies around the world, and a constant worry to our adversaries.

Please come in person, or by visiting remotely, to honor the many Veterans who are members of our Club, and learn about an amazing mission anchored right here in our community. Our speaker will appear through the miracle of Zoom, as we would expect of someone with such an incredible background. Come see our speaker’s dazzling identity revealed.

If you have been keeping track during the last three Tuesday meetings, you would have learned about our fascinating presenter. He grew up speaking Portuguese, French, Arabic and Spanish and studied Mandarin Chinese in college. He was also an undefeated collegiate varsity boxer!
