Rotary Leadership Institute and Our Club Database

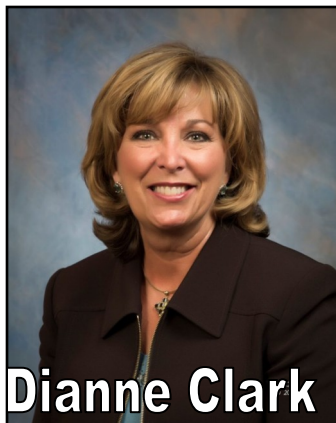

Rotary Leadership Institute is a grassroots coalition of Rotary districts throughout the world implementing a leadership development program for potential leaders of Rotary Clubs as well as providing leadership skills that can be utilized in an individual's profession.

Established in 1992, RLI has become a worldwide organization with divisions in every Continent of the world. RLI is a general education program, while most Rotary International training programs are "job-specific" for certain officer positions.

DACdb (District and Club data base) is our membership program that is current daily. You will see an example of that program and how you can use it to enter your own make-ups, check committees or your attendance, update your address, change your roster picture, etc.

Rotarians **Dianne Clark** and **Cynthia Franklin** attended RLI training several months ago and felt it was such a benefit that they want to share a bit of their response to the program. Dianne has been in Rotary for several years, first in the Mansfield club and now our club. She joined Rotary when encouraged to do so by a friend Dr. Anne Matthews of South Carolina who was Rotary International's first female Vice-President. On the other hand, Cynthia Franklin has been a member of our club only since July 2021. It will be interesting to learn how each viewed RLI considering their different exposure to all things Rotary.

Dear Fellow Rotarians,

This winter we are having a silent auction to raise money for our Foundation to support our civic grants and scholarships in 2022. That is where we need your help. We are looking for items that you would like to donate to our auction. Items can be products (e.g., autographed sports memorabilia), vacation rentals (e.g., a weekend at a lake house or week at a ski condo) and services (e.g., game tickets, a block of consulting hours, cooking lessons). We are really open to auction anything that you think has value. So, please take a minute and complete our online form:

https://www.surveymonkey.com/r/RotaryClubofShreveport_AuctionDonationForm.

Once completed, someone from our fundraising committee will follow up with you.

Sincerely,

Chris Stokes
Board of Directors

Fundraising Committee Chair

Paul Harris Fellow Level Ups

Last Tuesday **Chris Stokes** was recognized for his support of The Rotary Foundation as President Lawrence presented him with his PHF+3 lapel pin.

Chris, a native of Shreveport, graduated from Caddo Magnet High School, LSUS and the Mississippi College School of Law. He spent about 20 years in the Midland, TX area and finally returned to Shreveport in 2017. While in Midland Chris was active in the Midland West Rotary Club and earned his first Paul Harris Fellowship there.

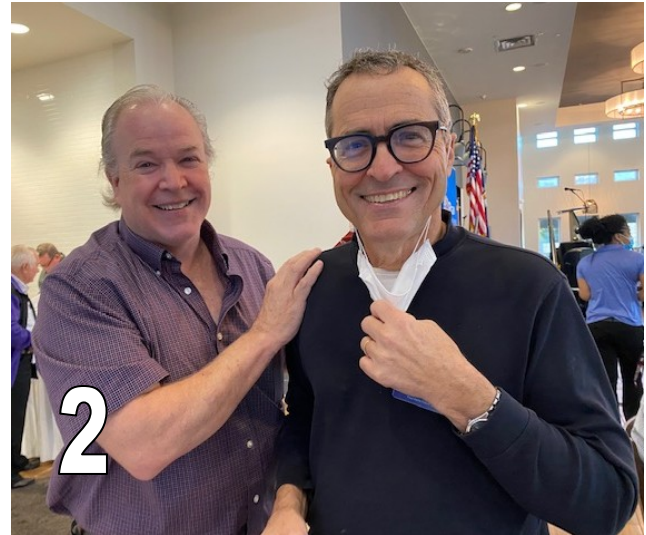

Since returning to Shreveport, Chris is a commercial real estate agent with Walker-Alley Associations. A second generation Rotarian he joined our club in 2017. His parents Ron and Ann Stokes were both members of our club with Ron serving as our club president in 1993.

Chris is a Club Director this year and is leading our Raise and Give committees. He has been active in several other committees.

Gard Wayt received his Paul Harris Fellow +7 pin on Tuesday. Gard has owned Gard Wayt & Associates Insurance Agency since 1988. He joined our club in 2002 and, over the years, he has introduced more new members to Rotary than any other person. He served as Club President in 2011-2012 and remains involved in many club activities and committees.

Gard is very active in other community service: past President of Industrial Development Board of Caddo Parish, Executive Director of I-49 International Coalition, President of Caddo Career & Technology Center Foundation, President of the Board of Linwood Charter School, past President of Shreve Memorial Library Foundation and many other organizations.
