

**Keynote**

**Shreveport Bond Issue**

**Adrian Perkins** was born in the Cedar Grove neighborhood of Shreveport. He is the grandson of a sharecropper and the youngest of three boys raised by a single mother. He attended Arthur Circle, Youree Drive Middle School and Capt. Shreve High School.

In 2018 Perkins was elected as the 56th Mayor of Shreveport.

On Tuesday, November 5th the citizens of Shreveport will vote on the 2019 Bond Proposal which addresses Shreveport’s critical needs. It includes funds for public safety, infrastructure, water and sewage, as well as parks and public buildings. The new central police station and the implementation of substations in each police district will make Shreveport safer by making law enforcement more visible.

**News from Gard Way’s children**

*“Gard’s recovery continues to progress in ICU. His new heart device is effectively pumping his left ventricle, and his right heart is keeping up—now unassisted. Although his doctors are optimistic about his prognosis, his condition continues to be critical.*

*We realize that some of you may want to wish Dad well in person. Because his health is so fragile, his nurses are closely monitoring his rest and, subsequently, we’re being very intentional about visitations. Therefore, we’re still requesting he have no visitors other than immediate family for now.*

*We’re sharing the heartfelt sentiments you’ve mailed and emailed Gard, and all of us continue to be grateful for your outpouring of support. Please keep those prayers for healing coming!*

*Gratefully,  
Michelle, Russell and Bryan”*

### James Allen, Jr. Memorial Scholarship

The James Allen, Jr. Memorial Scholarship Award was created in 2003 by our late club member Jimmie Allen and his wife through a bequest to the Rotary Club of Shreveport Foundation, honoring their deceased son, James Allen, Jr a Centenary alumnus.

The stipulation of the bequest was that the income be used to provide an annual scholarship to a deserving Centenary student. Each year, we ask the Centenary financial aid director to assist us in identifying a Centenary student who clearly exhibits the character traits of scholarship, personal integrity, and a dedication to Service Above Self, either through extracurricular activities, career plans, or both.

Rotarian Jimmie passed away on September 28, 2011 and we try to make the presentation each year to coincide as closely as possible to that date.

Last Tuesday, our scholarship committee chair Alan Prater introduced this year's recipient of the \$2,000 scholarship, **Ms. Sarah Philyaw.**

## More Vacay Pics

(Above) Rich Brontoli ran across the venue for the Rotary Club of Hohenschwangau, Germany. This was at the Neuschwanstein Castle in South Germany. Notice the Lions Club also meets there.

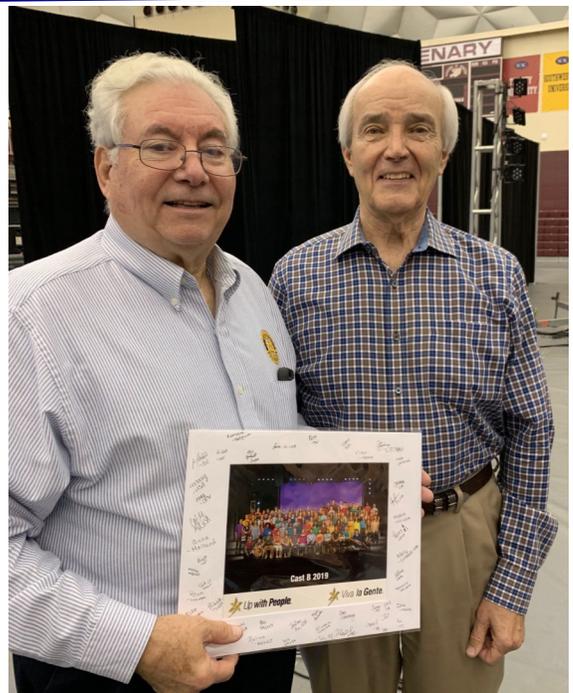

(Above) While searching for his roots, Mike Ferrell ran across this street sign. The street was named after one of Mike's fore-fathers and Mate, the cross street, was his dog. Note the Rotary emblem on top of the Ferrell name.

## Up With People

At their final performance at the Centenary Gold Dome on September 28th, President Rich Brontoli and our club were presented with a signed cast photo from the Up With People staff. As one of the sponsors of their Shreveport tour, we had front row seats!

Pictured (right) are President Rich with Merritt Chastain who also attended.
