2021-2022 Service Above Self Award Recipient

Immediate Past President Lawrence Calhoun presented Rotarian **Chris Stokes** with the Service Above Self Club Award for 2021-2022. Chris was selected for this award by Lawrence because of his efforts and accomplishments during the last Rotary year with fundraising ideas and events which helped us to meet our last year of commitment to the Common Ground project partnership. Chris was our Club Director in charge of the Raise & Give committees.

Chris, a Paul Harris Fellow +2, is a second generation Rotarian as both parents (Ann and Ron Stokes) were members of our club with Ron serving as club president in 1993. He is a Caddo Magnet graduate who received his bachelor's degree from LSUS and his J.D. degree from Mississippi College School of Law.

After living in Midland, TX for a number of years he returned to Shreveport in 2017 and is a commercial realtor with Walker-Alley & Associates. While in Midland, Chris was a member of the Midland West Rotary Club.

**Upcoming Rotary project
October 8th—8:00-11:00
1034 Sprague St., Shreveport, LA 71101**

Rotarian Lauren “LJ” Jones has arranged a Rotary Volunteer Day at the Shreveport Green community garden/farm on Sprague St. in the downtown area.

We’ll have opportunities to do weeding, landscaping and planting. Please wear closed toe shoes and long pants for protection. LJ will have all the tools and gloves along with a water cooler. Please bring a refillable water bottle. As we see how this goes, we will have opportunities to do a litter clean-up project in the Ledbetter Heights area surrounding the farm. The residents in the area can be invited to help with that.

This is a perfect time to invite your children/grandchildren to participate with you. You will want to bring child size gloves for the younger children.
