Keynote

Every Man A King Distilling

Andrew Larson, M.D. is originally from Church Point, a small town in south Louisiana. He moved to New Orleans for a Tulane chemical engineering degree and then stayed for medical school at LSUHSC.

Larson has been in Shreveport since 2012 upon completion of his anesthesiology residency at the University of Virginia. He has been a partner in his anesthesia SCorp, Medical Center Anesthesiologists, since 2014 and remains the managing partner for their largest contract, Christus Shreveport-Bossier.

In 2016 his wife's practice, Lindsey Pennington MD Facial Plastics, was founded and Larson remains actively involved with the financials and market strategy.

In 2018 Dr. Larson and his wife Dr. Pennington expanded into commercial real estate with the renovation of the former Arlington Hotel, on the corner of Cotton and Louisiana Street. With opening planned for 2020, this location will include a modern French restaurant (The Revenir), and a micro-distillery (Every Man A King) that will be producing handcrafted corn whiskey, vodka, gin, moonshine and bourbon.

Every Man A King Distilling is one of the companies that went through the EAP (Entrepreneurial Accelerator Program, a division of BRF) and has been recognized as one of the Elite 10 startups for 2019.

Member News

On his 80th birthday, Jack Lamb's four children (one of whom is Rotarian Walter Lamb) honored him by creating the Jack Lamb Outdoor Advertising Endowed Scholarship at LSUS. Jack attended college, did not earn a degree but he has always had a passion for education. Jack retired as from his company Lamb Outdoor Advertising. He has been a Rotarian for 31 years, is a Paul Harris Fellow+2 and has sponsored several new Rotarians in the club.

Rotarian Mark Hebert has been elected State Director for the Louisiana Automobile Dealers Association (LADA). Mark is president of Hebert's Town & Country and has been a Rotarian in our club for 19 years. He is a Paul Harris Fellow and is the major sponsor of our membership roster.

More Member Updates

James Adams is now at home recovering from surgery at Willis Knighton North in August. He reported that he is on the mend and will be returning to Rotary soon. He is looking forward to seeing everyone pass by the registration table.

Past President Gard Wayt had open heart surgery on September 12 at the Baylor Scott & White Heart Hospital in Plano, Texas. This word from his family: "Gard's surgery, implanting a device to assist with his heart function, was successful and he continues to recuperate in ICU....Gard will be hospitalized in Dallas for 2-4 weeks....Upon his discharge, we'll take him home to Shreveport to convalesce....As you can imagine, Gard is eager to be back on his feet and continue his work with you as soon as possible. We'll keep you posted." Michelle, Russell and Bryan (Gard's children)
