Keynote

Shreveport's Yellow Fever Epidemic

In order to better accommodate our members attending on Zoom we will start our meetings at 12:00 noon. This will allow maximum time for our presenters and time for questions to be relayed to the presenter from our Zoom attendees during Q&A time. Please plan your arrival at the in-person meeting for this earlier start.

Dr. Cheryl White

Since 1998 **Dr. Cheryl White** has been with LSU-Shreveport. She is a professor of history in the College of Arts and Sciences. She is the author of several books on local and regional history as well as journal articles in the field of medieval and early modern preservation efforts.

Dr. White holds the Hubert Humphreys Endowed Professorship in History and is active in local historic preservation efforts, serving as the academic coordinator for the Spring Street Museum.

She is the author or co-author of several books including *Wicked Shreveport*, *Confederate General Leonidas Polk: Louisiana's Fighting Bishop*, *Historic Haunts of Shreveport*, *A Haunting Past: Essays on Folklore of Louisiana Antebellum Plantations*.

Dr. White is the host of The Shadow Files which can be heard on Thursday mornings at 7:45 a.m. on Red River Radio KDAQ.

When she last spoke to our club many members will remember that our meeting happened to be in the Municipal Auditorium. It was uncanny that the Auditorium lost lights and power at a crucial point in her Shreveport haunts presentation.
