CIVIC GRANT WINNERS

Providence House

"Breaking the homeless cycle, one family at a time."

Providence House began in 1988 when two members of First Presbyterian Church, Mary Anne Selber and Jean Sayres, recognized a need for shelter services for homeless families with children. Providence House employs case managers, a professional counselor, a full-time dietary team, and a full-time teaching staff. The "House" accommodates up to 27 families (80 people).

The ARC Caddo-Bossier

"Building Unlimited Opportunities for People with Disabilities." The Arc Caddo-Bossier is a private, non-profit agency that provides an array of services and supportive programs for infants, children, and adults with disabilities and their families.

Robinson's Rescue

On September 15, 2008, Robinson's Rescue was founded as the first clinic of its kind in the state of Louisiana and one of only 159 ASPCA Spay/Neuter Alliance clinics in all of the United States. Mission: to prevent pet overpopulation through high-quality, affordable spay and neuter surgeries while educating the community about responsible pet ownership.

The Center for Children & Families

The Center for Children and Families is redefining the way children in crisis are being served in communities throughout Louisiana. What began in 1999 as a tiny one-room office has now grown into a thriving, nationally recognized non-profit agency that stands as a beacon of hope for those in crisis situations.

Our mission is to promote safe, healthy environments through advocacy, counseling, education, and prevention services.

Shreveport Green

Shreveport Green is a nonprofit organization dedicated to promoting a healthy, sustainable, and economically vital community through public outreach, community enhancement, and a specific respect for the natural and built environment.

WHAT IS RLI AND WHY SHOULD I DO IT?

RLI stands for Rotary Leadership Institute. It is a three-part program. The parts are taken sequentially and are offered concurrently at an RLI event. So, you take part one before part 2, and so on. Since each part is six hours long, it takes someone three RLI events to 'graduate' from RLI. RLI provides information about Rotary, leadership training for club members, and the ability to connect folks from many clubs with each other to generate ideas and share best practices.
